cheesesoda wrote on Sat, 15 September 2007 02:43 So then your country's full of Socialists?
Eww...

On your definiton, probably yes.

Still, I must say I enjoy living here, enjoying good health care for everyone, and a lot of other stuff, which would be called socialistic

And as you may or may not know, the Netherlands has a nicely working economy which is rather stable. So apparently socialism can't be all bad
