Matix101 wrote on Sat, 15 September 2007 20:53Wow, this totally pisses me off. I specifically turn off my Automatic Updates due to stuff I really don't feel comfortable installing, and wether or not that is disabled, they still get through?

We should sue, and I mean it, this is a invasion of privacy, and they have no right.

Read their license agreement...you approved their right. Of course I have no idea if thats actually in there because no one would ever read that thing.
