VegitoQuote:"Hey, you're an idiot and I'm not."

Assumption is the mother of all fuck ups.

Too bad I never said I was perfect.Or not an idiot for that matter.I just said you were one.Nice work making up things since you obviously dont read a sentence where I say I am better than you.But Im sure it was there right?Maybe your just getting delusional in addtion to being dumb.

I said "You can say", not you would or have said anything.

Perhaps it is you who should learn to read, yes?

It's funny that you overlooked the implied idea of what I wrote. Oh well, no loss for me.
