Not a fan of condoms?

That's rude and you shouldn't had said that.

Back to the topic, doesn't really matter if they are at fault or not, their girl is missing and needs to be found.

You should feel sorry for them, it's the human thing to do, we all make mistakes, no one is prefect, not even when it comes to kids, if you are honest with yourselfs, you could easy find faults in your own life when it comes to something to do with kids as I've said eailer, we all make mistakes, that's part of being human.
