context: zeratul posted a modified version of Canyon on this very forum, Aircraftkiller replied telling him it sucked.

2. piwi13: "WHO KILL MY BIGGY WITH ONE SHOOT ??????????"

context: piwi13's biggy was kill with one shoot.

3. Soul: "U SPEK WITHOT NOING,,,, LOL WE LAFFIN AT U ON TS,,," (sic)

context: clanwar against Soul and Ne0. Ne0 had a very good internet connection so he often hosted. Soul's was terrible. One day we were about to 3v3 them and Soul decided he wanted a host arty on Field, so they switched names so Soul could host as "Ne0". It took us about five seconds to realise the deception based on how bad the server was... after telling them to shutdown and flaming them a bit, they kept denying what was happening, and Soul then gave us that gem of a statement which is much quoted on Smak years later.

4. IceSword7: "OH MY GOD WE'RE NOT GONNA GET ONE OF THEM, TWO ARTIES OWNED THREE ****ING MEDS MAN!!! FORGET THIS ****!!!"

context: two arties owned three ****ing meds. There is a teamspeak recording of this somewhere - Ice was literally screaming.

5. C4Packer: "People fight to sit by me at lunch"

context: C4Packer had finally been caught cheating, and during the subsequent flaming he kinda snapped a little bit. This was his defence to people calling him a geek for cheating.

Best Game Moment

Soul's "hiding behind a rock" incident wins every time tbh.

Was a clanwar on Walls Flying. Soul was on my team. Soul decided to sneak with a tech - which is generally an unwise strategy on that map in clanwars - and told the rest of us to hold them off while he did so. A minute later, "i got their powerplant". Excellent, we thought. We did our best to hold off the enemy, but being a man down we lost our orca, tanks and havoc and our base started getting over-run. The enemy clan are all in our base. "soul.... better get back and help..." No response, no sign of their PP being destroyed.

Another minute passes and we're losing buildings now.

"Soul... where the fuck are you?"

"i'm hiding behind a rock"

Best Renegade Moment

C4Packer challenging everyone to a fight in real life when he got caught cheating (see above), Soul accepting this challenge since he lived nearby, giving a few examples of local cable/radio companies etc as proof, and Packer going "oh shit"
