cheesesoda wrote on Fri, 21 September 2007 20:52It'd be funnier if it was a video of you being kicked in the balls and falling over, crying. However, a still photo of a 3D model skeleton kicking another 3D skeleton in the nuts is far from funny.

Good point.

Also, i think we should all get together, and fly to his house and record each and every one of us kicking him in the balls. Now that would be funny!
