JPNOD wrote on Sun, 23 September 2007 10:39If Renegade 2 was to come what would it have to be like:

Me: It should be based on Red Alert.

Why a Red Alert Based FPS? Because I had a great time playing Ren Alert and I think that it would be a perfect sequel to Renegade. And refreshing.

You know, technically that would be a prequel to the game, even though it would come out later.
