Yeah thanx for the info people, and i really don't like you going into your NightRegulator server controll thing! I aint trying to start a argument or fall out with anyone so i'll refrain from saying ought i'll regret later here.

Please do not quote things from servers. I was just a little angry as i had looked around and asked nicely for many months after getting levelEDIT and nobody would help as i already said...anyways thanx for the info on levelEDIT i will try that terrains thing
