So basically, if your a Christian, you can go out and kill like 30 people, then go to church, confess your sin, and boom, your forgiven. :\

But a christian honestly won't do that... and if one did, he/she would not be forgiven if one doesn't mean the apology. Meaning, deep in that one's mind, while asking for forgivenes... is probably thinking "after I ask, I go kill more people!"

or at least that's my theory.
