You might be illiterate and retarded; just tossing that out in the open.

Post a screenshot of the server list at a busy time...you're the nerd that takes part in screenshot contests, right?

Ah, I love this phrase;

Read. Learn. Post. (ignore button)

P.s - I took you off ignore because you started being nice. Sigh...

Don't be too hard on him. He's just horny, that's all.
