First of all, yes the tan color is a desert Camouflage. Camouflage isn't always the funky patterns that you see on combats and other military vehicles/personel. Camouflage is simple the color that the military uses to make something appear invisible.

Secondly, I just gave that pic because I thought you could use it to give more "life" to the way the tank looks, and still have it resemble the real thing. At least skin-wise.

I see. Good point, I stand corrected.

Quote:I told you it was too innacurate.

You were right, but you were mostly talking about the model. Most of the criticism seems to be directed towards my shitty skin.

down so he will feel good about his nasty deeds. How can he be proud of himself when no one

Narcissists use everyone around them to keep themselves inflated.

Often they find flaws in others and criticize them fiercely,

for this further distinguishes them from those who are defective.

Because of their underlying need for voice and the resultant bluster,

Narcissists often work their way to the center of their "circle,"

or the top of their organization. Indeed, they may be the mentor or guru for others.

The second they are snubbed, however, they rage at their "enemy."

Demands to be recognized as superior without commensurate achievements.

Requires excessive admiration, adulation, attention and affirmation - or,

failing that, wishes to be feared and to be notorious.

Summarized from:

American Psychiatric Association. (1994).

Ack enters into a room, most people leave; Ack follows them around insulting them, wondering

Woo is me.

You are NOT turning this into a flame war. Keep it on topic or stay the hell out of this thread. You have ruined enough threads with your flames.
