err.

I wish I had a recent picture of me, but some fag like fl00d3d will definitely post my up embarrassing picture of me in the 6th grade in church looking fat as fuck..

puberty hit me hard tbh!

/me goes finding a camera

btw I would like to comment on fl00d3d's reply, last one on the first page.

He says he never uses/used drugs, but on his forums he said him and his girlfriend are children of the 80's and use drugs frequently. I smell a pig liar.
