Renegade wrote on Thu, 04 October 2007 22:58 Can we create life and sustain it without them knowing?

I don't think we're that far along yet.

If you know what I mean, we can be their "god".

Well, no, we're not there yet. I know that.

It's cool to think that we could be someone's god. Just like something higher than us could be our god.
