trooprm02 wrote on Thu, 11 October 2007 14:06 I think everyone's right, basically everything about this game makes it what it is, even the glitches/exploits, but overall I think we are all still here because of the amazing online gameplay, nothing to this day, 5 years later, even comes close. And that's because it was made by Westwood, not EA.

Glances at the poster's name holy crap, that was trooprm02, and I agreed with him? Weird.
