Why the hell wouldn't you still be christian if Aliens visited earth? It's not as if there is a passage in the Bible that says:

Then God said, "Let the waters beneath the sky flow together into one place, so dry ground may appear." Then God said, "Let there not be aliens, for they are ugly and slimy and stuff." Does it say anywhere in the bible that there are other humans or peoples on other planets? What if those aliens had their own religion or had none at all? That's what i'm talking about.
