That ladies and gentlemen, is the reason that our generation is so fucked up. Loose morals creates bastard children with mothers that don't even have an age spread of 18 years. Loose morals are the reason sexually transmitted diseases run rampant and loose morals are the reason for much of the crime that happens.

Limit yourself to one woman that you love(not lust mind you) and these things have less of a chance of happening. Or, as was mentioned earlier, wait until marriage.
