I was saying that the day of Ep2.

Basically all you would do the entire game is A) Find Elevator B) Fix elevator with small puzzle C) Wait for elevator.

That happened like 15 times...

I think they are out of ideas completely. I can't think of one that was new in the game IE: Episode 1 dog threw you over the gap and a fun coaster ride commenced. I can't compare that to anything that happened in HL2. Ep2 was great and I love the new car but really there just wasn't anything new.

And when the hell are they going to fix those Zombies? I swear to god don't go outside in a white shirt and jeans because those are the gang colors of the zombies and you will be recruited instantly.

I just wish they would make some other models or skins....something...

You dont know it but those are 4 different people.
