I'm sorry that the best render i could come up with. I dont have a good connection to download a good rendering system, nore the mone to buy one because im poor. Im sorry its not to your standards.

May i ask how old you are by the way?

and strangly, i like ACK better than u...

and 4 years experience modeling eh? i havent even been modelling half a year, and im learning skinning as well, unlike u, so you can go suk ACKs fuking balls.
