trooprm02 wrote on Fri, 19 October 2007 21:18I agree, PC>consoles. They don't even compare. I do have a PS2 and a PSP and some other things, but PS2 I never play and PSP only because its portable. All other newer consoles=waste of money.

I would generally agree but with piracy companies are putting their games on pc less and less.

I cant even count the times I wanted to play something and it was exclusive to consoles.
