cheesesoda wrote on Tue, 23 October 2007 12:10 Sex is too pleasurable, and most Christians will not tell you that you should only have sex when you're married and only if you're going to procreate. Just only when you're married.

As far as contraceptives go, I know a girl who got pregnant even after several forms of birth control were used, including spermicide, condoms, and birth control. That didn't seem to work. Then she apparently wasn't using one or more of them correctly. Either that or she has the worst luck.

or is a retard.

No, she's not a retard. I don't befriend idiots... most of the time.
