There are loads of tutorials on <http://www.renhelp.net> did you even look?

Here's some map tutorials I found:

<http://www.renhelp.net/index.php?mod=Tutorials&action=view&id=21>

<http://www.renhelp.net/index.php?mod=Tutorials&action=view&id=20>

<http://www.renhelp.net/index.php?mod=Tutorials&action=view&id=40>

<http://www.renhelp.net/index.php?mod=Tutorials&action=view&id=113>

<http://www.renhelp.net/index.php?mod=Tutorials&action=view&id=22>

And there's even more, next time someone gives a link to help you then you should at least visit it. I don't think you even bothered going to www.renhelp.net. And even if you did you're blind, there's a tab saying "Tutorials".
