If you want a fight in real life because someone said you're dense over a computer game forum, there's really no words to sum up how crap your life is.

I know you probably think you come across as some kind of tough guy, but you don't. You come across as a lonely scrub who gets beaten up at school every day and takes out the anger in front of people who don't know you personally and haven't seen you for the wretched little pleb you are.

so thats a no spoony? kinda scared are we.. that maybe ill show you up in front off all your renem8s?

1: ive never been beated up
spoonys interlect STRIKES YET AGAIN.
