danpaul88 wrote on Fri, 26 October 2007 18:05And Orcas will still do the original damage amount anyway, so you have disabled automatic cheater banning and gained... nothing. Best solution is to undo the changes you made to the damage values, since they won't work anyway.

Exactly ^^

Just for clarification, it is in fact BIATCH that is banning you and not NR, NR just relays the message to you before you get banned.
