hey spoony i admire your fucking essays to show retards how to plays maps 8-|  
whereas you'd rather just cheat, lie to everyone about doing so, and freak out (again) when you  
get banned for it.

It's kinda funny how defensive you get every time someone talks about your sad life... way to  
prove them wrong. Like I said, when someone calls you a loser and it bothers you THIS MUCH...  
you're a loser.
