
Subject: How Do I Fix This?

Posted by [Dave Mason](#) on Sat, 27 Oct 2007 17:40:24 GMT

[View Forum Message](#) <> [Reply to Message](#)

Whenever I ctrl-alt-del I can't close the window and it's always on top. All I can do once it's open is reboot or move it into the corner of the screen.

It also means I can't access the processes tab.

Any ideas?
