Spoony wrote on Sat, 27 October 2007 22:15 There's nothing nerdish about playing a game competitively, because for a lot of people, competition makes the game more fun.

There is such a thing as taking it a bit too far, though...

lol I should've phrased my sentence a bit better earlier. Yeah whatever if you want to play the game competitively. but some of these hotshot retards like bartgg and numerous other retards on cw.cc think they're hot stuff, even though they're complete geeks pretending to be someone else on the internet.
