Okay right first if you do not have anything related to the topic or anything usefull to say do not post!

And can someone please just end this right here right now!!
Is it technically or theoretically possible in way shape or form to achieve what i want!

And this is "For the Orca And Apache rockets to do more damage, server-sided!"

Okay right, can someone with great experience in this field please please TELL ME AND END THIS!

Thnx.....
