I would post a pic but it seems that pictures offend christians.

Offensive to Christians you say.

Trolled.

Heh, not offensive, just hilarious.

Wow... dude...

Ok, I only saw one christian say that was offensive (In the other topics with the Jesus). Then everyone started saying that every singal christian found it offensive and couldn't handle it.

You guys were just assuming we found it offensive because ONE person said that it was offensive. The majority of us said we didn't care much.

I think the internet is serious business to you christians. Lighten up. A few pics and some generalizations and heads start popping.
