Blazer and I got engaged tonight on our 5-year anniversary. For those of you who aren't super hardcore old-school, Blazer and I actually met on the Westwood-hosted Renegade Forums back in 2002. Blazer did the deed through a series of trivia questions, then a treasure hunt to a specific GPS location, at which point I got a box which I had to decode to open the next clue which told me where to find a gift card to a local jeweler. We're going to pick out my ring this week (probably tomorrow).

And no, we haven't set a date yet, FFS.
