coolmantThat was funny, but I actually ran into one, and this guy ran down a cliff, and he could not be killed in game! I wish i had a screenie.

What's funny is that you still havent figured out the cliffs you can jump off to exploit renegade's unique brand of charm in netcoding.

I love doing that, and being accused of being a "l33t haxx0r"

You can survive cliff jumping quite nicely in certain areas. And I ain't telling.
