AoBfrost wrote on Tue, 13 November 2007 08:45I've had times where I could have bought the nice big fancy ps3 systems for a few bucks off and make any average joe jealous, but I waited 1 year, yes 1 year without using the meijers credit card so I could get 10 percent off something big, so I waited until the bgigest dang ps3 sale happened.

Last night 12:01am which was really today tuesday.....anyways I sat in line from 10:30pm monday until 12:01 tuesday, about 1 and a half hours, to get 50 dollars off a 40gig ps3, they had 2 systems, and I was first in line, I waited and eyed everyone coming into the electronics deparment. Finally 12:01am came and I got my ps3, I got a secodn controller, and I got call of duty 4, but wait Frost, this all cost like 510 dollars plus tax, heck no it dont, frost used his 10% off meijers credit card discount, his family 10% off discount, and his 50\$ off coupon and frost paid 393\$ after tax for a SYSTEM, GAME, CONTROLLER, all for less than the cost of a system

Just thought I'd share what my year's patience went for.

So tonight....OMG PS3 FTW GONNA POST ON IT ROFLSLMAOPS3FTW.
