Full time? What about school? Don't you think it's better to stay in school, and get paid 30+\$/hour vs 7\$/hour? Some people would say you're being selfish, not giving the baby up for adoption, knowing fully well, that you would not be able to provide for this baby. I know about Hamilton, I know about 17-year-olds working full-time jobs, and that certainly isn't the life I'd want to grow up in if I was that baby. Your choice though, congrats.

Nah, I'm almost done school.

I've been doing correspondence for a while.
