Come on guys be nice, atleast i'm not spamming or anything thing like it so you guys will get mad at me.

It is alright to say no because i just asked a question if we could and if people wants it.

If you say no that means the current one is ok and no one wants a new one.

I hope you guys could of been nice and say nice things like "i think the current one is ok". I know that alot of you guys said nice things and i'm thanking you about that.
