razorblade001 wrote on Tue, 27 November 2007 14:51It depends on where you live in the world.

In the US, the door to the bus is on the right side, because the driver is on the left.

However other countries may have it vise versa.

Yeah, true LOL...back in my country, there are 2 doors on the left side (driver sits on right) and there is a ladder in the back so people can get up and sit on top of the bus!
