Darkeye 35 Does anyone know how or where I can get each of the renegade radio commands in .mp3 format? I mean each as a separate .mp3 file....

I just converted all the radio command wav's from always.dat to mp3 format, zipped them together and here's the URL.

http://www.spliff.wideboys.co.uk/files/renegade/mp3_radio_commands.zip (539 KB)

Hope this helps.
