Instead of bumping 3 topics with the same messages, you should have just stuck with this one topic.

Anyway, this is getting out of hand. No one hates him (except Sadukar) and what the hell, this HORQUER crap is detracting everyone from the essence of Renegade.

This silly stupid bickering should STOP.

He spammed, he got banned, he got unbanned and came back, somehow he got into this silly stupid argument with Sadukar (who nit-picks a lot), and here we go again back to the whole gay f**king HORQUER wars.

There are so many other things than Ferkhat and once again, no one hates him but most importantly, no one gives a shit.

I can't believe I actually wrote all this. The most POINTLESS thing I ever said here. What a waste of time. Let me go wash me eyes!

EDIT: DAMN, I spelled believe wrong.
