In case any of you care about what I have to say about the movements against my posts:

You are such an asshat. LET'S BE OFFENDED BY HOLIDAY CHEER BECAUSE IT MAY HAVE RELIGIOUS OVERTONES.

Christmas was originally a secular holiday, but then Christians hijacked it, and now it's back to being a secular holiday, and you're going to bitch and moan about it? I can't say that I'm surprised.

Jecht wrote on Wed, 28 November 2007 11:44cheesesoda wrote on Wed, 28 November 2007 10:25LOL SECULAR HOLIDAY CHEER WITH SLIGHT RELIGIOUS OVERTONES IS BAD. FUCK SANTA, MAN. HE'S GOD IN DISGUISE TRYING TO CONVERT YOUR CHILDREN TO CHRISTIANITY.

Seriously, you idiots need to get over it. If you don't want a fucking Santa hat because of religious reasons, is it too much to ask that you just avoid making it known that you don't want one for anti-religious reasons? Shove your anti-religious bullshit up your asses.

You said pretty much exactly what I was thinking...

#eetfuk on irc.eetfuk.org+z310: Oh yes, let's assume I'm offended

+z310: And it was originally secular?

@cheesesoda: yes, and the Christians hijacked it

@cheesesoda: to try and destroy any secular/pagan holidays they could

@cheesesoda: same goes for Easter

+z310: Interesting

@cheesesoda: zombie jesus day was originally secular/pagan

+z310: I just knew it to celebrate the birth of Jesus

@cheesesoda: Christmas, as we know it, is Christian-based

@cheesesoda: but December 25 wasn't always a Christian holiday

@cheesesoda: and, anymore, it isn't

@cheesesoda: besides the church still celebrating it

+z310: I consider deviating from sacred holidays selfish, and thus I refuse to do it.

@cheesesoda: but you have no qualms about making it known

@cheesesoda: you and Starbuzz are like LOL I DONT PARTAKE IN RELIGIOUS HOLIDAYS, BUT THANKS

@cheesesoda wanted to slap the both of you

+z310: Oh, I see, so I shouldn't make known my opinion, just like you didn't

@cheesesoda: z310, not in those topics.

+z310: I've rarely cared for the scope of threads, and often separate from them, if you haven't noticed

+z310: Actually, I didn't really push away from the thread

+z310: I just stated why I'm not going to use the avatar he made me.

@cheesesoda: you couldn't have just said, initially, "i want to see what i look like with a photoshopped santa hat on. here's the pic"

+z310: or I could of done it habitually as I did, since there is nothing wrong with the way I did it. I'm sorry if me being against religious holidays and liking to express that opinion offends you.

@cheesesoda: it just annoying, like Christians making it a point to mention that they don't celebrate Halloween

@cheesesoda: as if your religious affiliations actually fucking matter

+z310: Problem solved: Disregard my goddamn post.

What's with you and religion? It's just pathetic. You're always hyped up about religion.

You're some kind of obsessive anti-religious troll.

Liking my opinion known is pathetic--I think that makes you pathetic too!

Obsessive...I don't iterate my thoughts to an excess, IMO

I apologize for the late retorts.
