Kane can't die.. even the end at Firestorm doesn't matter..

Kane travels through time with his skillz..
He didn't die in dawn, nor in ra or sun and heck.. dying in cnc3.. even if it would seem he does, (i cant tell.. im just guessing from previous games) he will return in the next game as ultimate as ever.

Kane is the master of all. Don't question his powarz.

(note that if you find this post the least retarded in any way its because your mind can't comprehend the pure awesomeness of the words written)
