Just in everyone:

<http://www.cnn.com/2007/POLITICS/11/30/clinton.office/index.html>

A man has walked into one of Senator Clinton's offices with a bomb strapped to his chest and taken 2 hostages.

I hope this crisis is resolved peacefully.

EDIT:

Explosion or no explosion, Hillary Clinton's presidential campaign just got a massive afterburner boost to the White House.
