if you would like to update the nameservers and i will add a new account with whm

why the FUCK would anyone, ANYONE trust you?

You'd probably make the domain and then change it into an illegal underage porn site of you getting it on with your sister.

"Go cry, gay scooter kid."

We don't want you here. I doubt anyone wants you anywhere.

What's that? Don't like me insulting your family? I'm only being honest... Is honesty a crime? I don't know about Vlissingen but it sure as hell ain't anywhere else (that i know of)

As a last request: Recon, please... please... do us all a favour, get HORQWER, Misslexx, and The_Elite_General into one big bus, and drive it off a cliff at 100mp/h.
