Well, since i posted this in a place where it's unlikely to be seen, i'll post it again. It's also more relevant here.

I really want to improve the server, make the playing enviroiment more fun. To allow people to enjoy their stay and think positive about their time on the server. Its fun to get to know people. I wish to also reduce the rule breaking and racism that occurs. By doing this it hopefully could make people enjoy the game.

Thank you for consideration.

Never.

This Server would not be fun for me because of the Fuckin' moderators they fukin kic me all the time, and people are hacking each others logins and aaccounts and the fukin MrDie777 witch is a bitch would not shut up and he always sucks his mamas balls when he joins the game, he is the rude guy when ever i accidently do a spawn kill he bans me accident spawn kill = ban ? that is not fun at all fuckers. Cheesesoda but ur cheese in ur ass and the soda too and dont forger to suck ur mamas dick and lick ur dads ass hole.

This server could be fun with out moderators and only admin and admin should be online 24/7

That is when all the people will join and play, have fun and all, all the time when i join and play like 15 min i already saw that moderators kicked like 15 - 20 people

No FUN ATTT ALLLLL

(Dreganius @ Nov 30 2007, 12:30 PM) HORQWER it's not up to you whether the mods are voted in or not.

Also, you just ruined your last chance.

(HORQWER @ Nov 30 2007, 12:30 PM)Dreganius is a well trained moderator. ALL other moderators like tto make fun of people and ban them and i hate that shit Ban all of the moderators accept Dreganius

LOL ASSKISS MUCH?
