He's an idiot, and I'll continue to see him as such. He'll also remain on my ignore list.

Yes, there really was no point to posting this, but Post Count +1.

Come on guys, give him a break he is only 12.

Yes some people know how to act, but just because you knew how to act when you were 12 dosen't mean everybody else knows how to act. Yes he is being something that I would call INMMATURE, but still how do you not know that he tries his best.

Actually in my opinion I don't think a 12 year old should be on the internet, much less even playing renegade.

Then get him off the internet, we will be happy then.
