blackhand101 wrote on Thu, 06 December 2007 03:51 the main thing was for ferkhat to change his user name on here

the main thing motivating it was sadukar and mero,

blame them they are the ones who make him sad... cuz there constant insults y dont you go find another 12 yr old to pick on?? and i dont care about the rating for renegade it is his parents disicion to let him play not yours so leave him alone and stop insulting

Ex-fucking-scuUUUUuse me, but i don't insult anyone without a reason. My reason for flaming HORQUER was, that he contacted me, and started this whole sharrade himself, so, in turn, he 'earned' his insults.

Do you remember that time when i was innocently added to a large convosation with you, john, zeth, kamuix, and a bunch of others? I said hi confusingly wondering as to why i was incuded. Then all i saw was "mero is gaymero is gaymero is gay" repeated for about 16-17 lines, and they all came from you.

You, and HORQUER, need to get your facts straight before you start gloating. Sadukar, i'm not really sure about him/her/it, but s/he/it is quite an annoyance on these forums randomly flaming other users with posts like "Gtfo." and "You have no life / Your parents hate you.", which i think is just retarded.

You should notice that i don't take part in many topics because i don't have anything to say in those topics, whereas Sadukar just flames anyone and everyone.

But anyway, this is enough bashing for me. I came here to retaliate your attack against my name because i am not letting some ratarded person who cries over some pixels which are aligned in a pattern which is offensive to him, bring me down like that.
