You are a fucking d-bag and your 'studios' is a piece of shit and you know nothing... Most of actually mod, at least I do, if you don't believe me then why would I submit tutorials on renehlp on how to mod things? You suck, fail, you are a liar, and you are really 2 faced. You said that you are on his side and that you are okay with him and that you forgive him. Then on the other side you bitch at him hate him, and he smear his defeat in his face. To me you are a big BULLY and you fail, terribly. So yes as said earlier, anymore insults? No not really....

Yes please do your school work, so you dont fail anymore thatn you already have. BEAUSE I DON'T GIVVE A FUCK IF YOU DO EITHER.
