3.sadukar and mero f off cuz u dont care about me and horquer anyway...

4. sorry about the excessive language i usually dont get THAT bad...

5. yes the economy WILL crash the price of the barrel of oil has gone up times 10 since 2000 i have proof the us dollar is becoming worthless because i looked at a price on the internet the price was for Canadian dollars and it was cheaper for us to buy it that way and i came back to look at it again and the Canadian dollars were worth more..in just a few weeks so don't say it won't
