Aprime wrote on Sat, 08 December 2007 17:52Jonwil keeps our "modding community (pfft)" alive, but Sir_Kane is the better coder of the two, there is no question about that (keep in mind that there's nothing forcing either one to contribute in a way or another to this game).

Rocko gets kicks off getting insulted because he thinks that gives him importance.

Scrin can't do shit.

Wait... Disregard that, he can steal stuff.
Yea, I also think Sir_Kane is a better coder.

It's just that he trolls around and show's off more than releasing stuff. If he did release stuff, he'd be more of a respected member of the community.
