I was stating the fact that you are completely wrong, what Oblivion said is some what true.

And upping my post count I guess...

+2 now

And what exactly are the two of your formulating this opinion on? Whatever it is it can't be anything too far outside of your imagination since physical and mental dependancies are two incredibly real conditions. Try spouting your bullshit infront of an alcholoic that has been sober for over 20 years and I'm sure you'll recieve an earfull at the least.
