A screenshot of a Microsoft Internet Explorer browser window. The title bar says "Blocked by Websense - Microsoft Internet Explorer". The address bar shows "http://10.2.0.14:15871/cgi-bin/blockpage.cgi?ws-session=2567172366". The main content area displays the Chapel Hill-Carrboro City Schools logo and a message: "The CHCCS Internet use policy restricts access to this web page at this time." Below the message, it says "Reason: The Websense category 'Illegal or Questionable' is filtered." and "URL: http://www.lockpicks.com/". Under "Options:", there is a link to "more information" and a "Go Back" button. The taskbar at the bottom shows icons for "Start", "Command and Conquer: ...", "Command and Conquer: ...", and "Blocked by Websense...".
