STEREODOG wrote on Tue, 04 December 2007 18:13Mr cookies that post you refer to was just posted and this evidence was never given before. All along I asked for as much evidence as I could get to prove he was not hacking, because I never beleived he cheats, but with a ss with a hack - something has to be done.

Now that he has finnaly come up with some evidence the ban will be removed.

^umm..thats {WG}STEREODOG, as in the known cheating clan {WG} where the leader and pretty much everyone else was found to be using \*cheat name removed\*as soon as it was publically released, and now he's in EKT? LOL.
