luv2pb wrote on Sun, 16 December 2007 12:16I've been on both sides. Pulled over stupid drunk off my ass (I know .. I was young and dumb). The cop let me go for reason that I will never understand and always be very thankfull for. Then there was the time I hadn't had a single drop and the cop was certain I had been drinking. Even after I blew a .000 he still insisted. He finally gave up and let me go.

Maybe you just suck at driving.
